**Jamie Kennedy Event Catering** provides the guidance and expertise to host an elegant ceremony and reception. Trust us to take care of you and honour your unique vision.

## Jamie Kennedy at The Gardiner Museum

is one of Toronto's cultural renaissance destinations. The Terrace Room on the third floor is a sparkling glass pavilion of floor to ceiling windows offering a panoramic view of Queen's Park and the downtown skyline. In the spring, summer and fall months your guests can enjoy these views outside on the south/west facing terrace.

The main foyer presents a spacious and dramatic entrance for your guests. Ceremonies can be held in the Terrace Room, followed by your reception. We host formal plated dinners (for up to 120 people) as well as cocktail style receptions (for up to 200 people).
